Absent: Katherine Hansen, Lindsay Tanzi, Huma Mohibullah, Stefanie McIrvn, Warren Takata, Matt Vielbig, Marsha Dubuk

AGENDA

1. Welcome
 - a. Note from suggestion box about asking for a workshop or tutorial on reading data. IR could hold small groups when folks need it.
2. Review and approval of January 28, 2019 minutes: Approved
3. Breakout group discussion:
 - a. Finding evidence is important but where do we start looking for the evidence and reports?
 - b. We might not have enough evidence or documentation or it might not be very strong. That lets us know we need to work on that area.
 - c. Kevin suggests Cheyenne, Jichul and Alma listen closely at the 7-year workshop next week for nuances that they call out.

Subgroup leaders:

- Standard one – Mission and Core Themes: Katherine Hansen
- Standard two – Resources and Capacity: Cheyenne Roduin
- Standard three – Planning and Implementation: Alma Meza
- Standard four - Effectiveness and Improvement: Jichul Kim
- Standard five – Mission Fulfillment, Adaptation, and Sustainability: Paula LeClaire

Next meeting: **March 18, 2019** in C111

Action Items:

1. IR will look into how to host a workshop or tutorial on reading data.
2. Anybody needing direction on who to ask for information can start their inquiry with Jichul.
3. Cheyenne will find out if the new draft standards are what we will be writing to or if we will use current standards.
